

Chemical Biology 2019

International Conference on

CHEMICAL BIOLOGY AND DRUG DISCOVERY

June 20th-21st, 2019

Singapore

About Company:

Larix International is dedicated non-profit organization created by 20 eminent scientists dedicated to building communities that advance the frontiers of science. Our conferences bring a global network of scientists together to discuss the latest pre-publication research in their fields.

The conference will be held at Holiday Inn Atrium, Singapore's most sophisticated boutique venue with spectacular city views.

Tracks:

- Proteins and peptides
- Lipids, carbohydrates and natural product
- Receptor agonist and antagonist
- Signal transduction modulator
- Protease substrate and inhibitor
- Small molecules discovery
- Synthetic methods
- Structure based drug design
- Molecular modeling
- Nuclear Chemistry/Radiochemistry
- In-Silico chemo informatics
- Bioinformatics
- Biophysical technologies
- Analytical technologies
- Therapeutic target proteomics
- Chemical genomics
- Molecular screening technologies
- ADMET and drug design & delivery
- Emerging Chemical and biological drug designs
- Concept Ligands and break through medicines

Theme:

Interdisciplinary approaches for
druggable targets

Important Dates:

Abstract Submission Opens : November 01, 2018

Abstract Submission Deadline : June 15, 2019

Registration Opens : November 01, 2018

Registration Deadline : June 20, 2019
