

LARIX INTERNATIONAL CONFERENCE ON

MATERIAL SCIENCE AND ENGINEERING

We are excited to present the Larix International Conference on Material Science and Engineering Scheduled on April 24-25, 2024 In Dubai, UAE. This distinguished event will bring Engineers, Scientists, Professors and Experts to discuss and deliver presentations.

REGISTRATION

SCIENTIFIC SESSIONS

ACADEMIC REGISTRATION: 399 USD

STUDENT REGISTRATION: 299 USD

DELEGATE REGISTRATION: 299 USD

BUSINESS REGISTRATION: 499 USD

EXHIBITOR REGISTRATION: 999 USD

- **Session 1: Materials Science and Engineering**
- **Session 2: Nanomaterial and Nanotechnology**
- **Session 3: Metallurgical and Materials Engineering**
- **Session 4: Ceramic Materials**
- **Session 5: Crystallography**
- **Session 6: Computational Materials Science**
- **Session 7: Biomaterials and Medical Devices**
- **Session 8: Biocatalysts**
- **Session 9: Smart Materials and Applications**
- **Session 10: Polymer Science and Technology**
- **Session 11: Functional materials**
- **Session 12: Composite Materials**
- **Session 13: Energy Materials**
- **Session 14: Semiconductors**
- **Session 15: Materials Physics**
- **Session 16: Materials Chemistry**
- **Session 17: Surface Science and Engineering**
- **Session 18: Perovskites**
- **Session 20: Metamaterials**
- **Session 21: Biosensor and Bio-electronic Materials and more....**
